In keeping with IEEE’s continued commitment to providing options supporting the needs of all authors, IEEE introduces the IEEE Journal of Indoor and Seamless Positioning and Navigation (J-ISPIN).

We invite you to be among the first to have your article peer-reviewed and published in the new journal. This is an exciting opportunity for your research to benefit from the high visibility and interest the journal’s marketing launch will generate. Your research will also be exposed to more than 5 million unique monthly users of the IEEE Xplore® Digital Library.

The IEEE Journal of Indoor and Seamless Positioning and Navigation will draw on IEEE’s expert technical community’s continued commitment to publishing the most highly-cited content. Valerie Renaudin, of the Universite Gustave Eiffel and Francesco Potorti’, of ISTI-CNR, are editor-in-chief and associate editor-in-chief.

The rapid peer-reviewed process targets a publication time frame of 10 weeks for most accepted papers. This journal is fully open and compliant with funder mandates, including Plan S.
Be among the first published in the **IEEE Journal of Indoor and Seamless Positioning and Navigation (J-ISPIN)**

**J-ISPIN’s mission is to provide the positioning and navigation community with a high-quality, peer-reviewed gold open access journal that fosters technological innovation and excellence for the benefit of humanity while meeting author needs to publish within their funding requirements.**

**Leverage IEEE’s publication expertise and strength**

- IEEE articles are indexed by major technology databases, including Web of Science and Scopus.
- IEEE publications are among the most cited journals in US and European new technology patents.
